A high-contrast, black-and-white halftone photograph of a person's face, heavily obscured by a fine grid pattern. The person has dark hair and appears to be wearing glasses. The image is framed by a thick black border.

This is a black and white halftone photograph of a landscape. The foreground is dominated by a large, dark, craggy rock formation, possibly a cliff or a series of boulders. The middle ground shows a valley or a clearing. The background is a bright, overexposed sky filled with large, puffy clouds. The overall effect is grainy and has a high-contrast, graphic quality typical of early photography or a specific printing process.
